**PETITION FOR WITHDRAWAL OF HOLDING OF ABANDONMENT
UNDER 37 C.F.R. § 1.137(b)**

Mail Stop PETITION
Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Sir:

This Petition is in reply to the Notice of Abandonment mailed July 26, 2007, which was returned to the United States Patent & Trademark Office on August 13, 2007, as undeliverable. Applicant hereby petitions for withdrawal of the holding of abandonment, due to their failure to respond to subsequent PTO correspondence regarding the **GRANTED** petition to withdraw abandonment, which had been mailed to Applicant's incorrect address (465 Stony Point Rd., Suite 115, Santa Rosa, CA 95401). Applicant also includes the appropriate petition and extension fees and accompanies this Petition with the appropriate Change of Correspondence Address paperwork.

The entire delay in responding to that PTO correspondence was unintentional. The undersigned, who is the Applicant, is prosecuting the captioned application *pro se* and inadvertently failed to inform the Patent Office that the mailing address for her company, INSIGHT BIOTEK INC. had changed.

Applicant's new address to which she is receiving mailed correspondence is:

Diane Van Alstyne
101 - 144 Brunswick Street
Penticton
British Columbia
Canada V2A 5P7

At all times, Diane Van Alstyne, the Applicant, remains the point of contact with the Patent Office and continues to handle this case *pro se*. She had every intention to retain the pendency of this application, USSN 09/489,850, and did not intend for it to become abandoned again, as evidenced by the previously-granted Petition (the Office of Petitions had granted Applicant's petition dated March 2, 2006, under 37 C.F.R. 1.137(b); please see the Decision on Petition dated August 14, 2006).

For this reason, Applicant respectfully requests that the Commissioner grant Applicant's Petition for Withdrawal of Abandonment in the present application.

Respectfully submitted,

Date September 22 / 08
